CAPRI ELETTRICO

Battery: 60V28Ah Lithium
Distance: 60-65km/charge
Motor (Max.Power): 60V3000W
Top Speed (km/h): 45
N.W.(kg): 88

MODENA ELETTRICO

Battery: 60V20Ah Lithium
Distance: 60-65km/charge
Motor (Max.Power): 60V3000W
Top Speed (km/h): 45
N.W.(kg): 80

TOBIX6

Battery (Ah/V): 6/25.2 Lithium
Distance: 15-25km/charge
Motor (Max.Power W): 350
Top Speed (km/h): 25
N.W.(kg): 10.5

TOBIX7

Battery (Ah/V): 5.2/36 Lithium
Distance: 18-25km/charge
Motor (Max.Power W): 350
Top Speed (km/h): 25
N.W.(kg): 12.5

Displacement (ccm): 149
Max.Output (kW): 9

Urban mobility is essential and affects our quality of life. That's why MIGLIORI offers scooters, electric scooters, kick e-scooters and motorcycles for both urban and off-road environments.

Our products are alternative transportation options, designed to be efficient, eco-friendly and effective.

Our foldable electric vehicles will eliminate the need to drive, and get you where you need to be without the use of a gas consuming vehicle.

Let's drive to our beautiful cities, the eco-friendly way.

Урбаната мобилност е од суштинско значење и во голема мера влијае на квалитетот на нашиот живот. Затоа MIGLIORI нуди скутери, електрични скутери, електрични тротинети и моторцикли соодветни за секакви средини.

Нашите возилата, дизајнирани да бидат ефикасни, и еколошки се алтернативна транспортна опција.

Електричните тротинети лесно се склопуваат, а ќе ве одведат таму каде што треба, притоа елиминирајќи ја потребата од употреба на возило што троши гориво.

Возењето низ нашите прекрасни градови, нека биде еколошко.
